Roof color: _____

All applications must include: a site plan drawn to scale including landscaping, samples of the products that will be used, and a short description of what will be completed (please see reverse). Pictures are often helpful in making a decision and are appreciated. **Approval of Jonathan ARC does not replace city building permits or codes. All improvements approved by ARC must be completed within one year**

Neighborhood covenants can be found on the Jonathan Association web site at:

<http://www.jonathaninchaska.com/index.cfm/resources/documents/covenants/>

For office use below this line.

Site Plan:

Attach a site plan of your lot and proposed improvement. Please include the existing house, driveway, other structures, property lines, setbacks, and easements on your drawing. Site plans should be drawn to scale and include landscaping when appropriate.

Example site plan:
