## Current Status/Update

-The National Night Out event went well, however I wish there had been more in attendance. I did hear that there were 32 total events in Chaska, with 12 in Jonathan, so maybe that kept the numbers down at our event. Next year I hope to do a better job of advertising. The fire truck was a big hit with the kids and I think adults alike. We will have to remember him for next year. The games were a good addition to the event as well. The location was excellent. Ben & Jerry's ice cream was terrific as usual. I perhaps could of used some signage along Bavaria.

-The next event will be the "Little Dance in Chaska", August 21, which the J.A. is helping to sponsor. Wally is in charge of this event and should let us know if there is anything that we need to help with.

-Next is the Boy Scout event. Nate is handling this. I will be out of town. Is there anything that needs to be done at this time Nate? Remind me of the date again.

- Next is the Cocoa and Sledding Event in December on Friday the 17<sup>th</sup>. Maria has already scheduled Santa Claus and Reindeer.
