MEMBERSHIP AND VARIOUS RIGHTS IN THE ASSOCIATION

Section 5.01. Each Owner shall be a member of the Association and shall be entitled to one vote for each Building Site owned. When more than one person holds an interest in any Building Site, all such persons shall be members. The vote for such Building Site shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to each

Building Site. The Association shall also have as members other landowners, in the Jonathan Development. For the purposes hereof, an owner of a single townhouse unit or condominium unit shall be considered to be a single family residential Building Site Owner. Provided, however, that on any vote taken on Association business the total multiple dwelling unit votes shall not exceed forty-nine percent (49%) of the total votes voted and if necessary each multiple dwelling unit vote shall be appropriately weighed so that the total thereof does not exceed this maximum. On all votes taken in the Association, multiple dwelling votes shall be taken and counted separately to effectuate the forty-nine percent (49%) policy set forth above.

Section 5.02. If all or any portion of a Building Site is used as rental property, the Owner must include language in any lease or rental agreement requiring the tenants and occupants to be bound by this Declaration.

ARTICLE VI.

COMPLETION OF CONSTRUCTION OF IMPROVEMENTS

If any structure or improvement is not completed within one (1) year after the commencement of said construction, the Association, at its sole option, may take such steps as may be necessary in its sole discretion to improve the appearance so as to make the Building Site harmonious with other Building Sites and the amount of any expenditure made in so doing shall be the personal, joint and several obligation of the Owner or Owners of the Building Site

involved, as the case may be, and shall be a lien on the property and enforceable as set forth in Article VIII.

ARTICLE VII.

COMMON PROPERTIES

Every Owner shall have a right and easement of enjoyment in and to the Common Properties which shall be appurtenant to and shall pass with the title to every Building Site subject to the following provisions:

- (a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facilities situated upon the Common Properties.
- (b) The right of the Association to suspend the voting rights and right to use the recreational facilities by an Owner for any period during which any assessments on the Owner's Building Site remain unpaid and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations. The Association is hereby given the right to establish uniform rules and regulations for the Common Properties.
- (c) The right of the Association to dedicate or transfer all or any part of the Common Properties to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless assented to by two-thirds (2/3) of the Members who are voting in person or by proxy at a meeting or meetings duly called for this purpose. Notice of such meeting or meetings shall be given and the required quorum shall be determined in the same manner as provided in Section 8.05. The rights of the Association contained in this paragraph (c) shall be in addition to and shall in no way limit the rights granted to the Association in this Article VII.
- (d) The Association shall have the right to lease portions of the Common Properties to commercial recreational developers for the purpose of providing recreational facilities or services or both to members provided that the net income from any said lease shall be applied to

developing and maintaining the Common Properties in the Jonathan Development.

ARTICLE VIII.

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 8.01. Creation of the Lien and Personal Obligation of Assessments. Each Owner (except the Developer), of each Building Site owned within the Property, hereby covenants, whether or not it shall be expressed in his or her deed, or contract for deed, and agrees to pay to the Association (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. Notwithstanding anything contained herein to the contrary, the Developer shall not have any liability to the Association or to any other party for any annual assessments or charges and/or special assessments for capital improvements, it being specifically understood that the annual and special assessments shall not be

imposed against any Building Site until a single family dwelling has been constructed thereon, a certificate of occupancy issued therefor, and such Building Site and dwelling have been sold and conveyed by the Developer to the Owner.

Section 8.02. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners and residents in the Property and for the improvement and maintenance of the Common Properties.

Section 8.03. Maximum Annual Assessments. The maximum annual assessment for 1994 shall be \$137.80 per Building Site.

- (a) The maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership.
- (b) The maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of the Members who are voting in person or by proxy, at a meeting duly called for this purpose.
- (c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 8.04. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Properties, including fixtures and personal property related thereto, provided

that any such assessment shall have the assent of two-thirds (2/3) of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 8.05. Notice and Quorum for any Action Authorized under Sections 8.03 and 8.04. Written notice of any meeting called for the purpose of taking any action authorized under Section 8.03 or 8.04 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of the Members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 8.06. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Building Sites and may be collected on a monthly, quarterly, semi-annually or on an annual basis as shall be determined by the Board of Directors of the Association.

Section 8.07. Date of Commencement of Annual Assessments; Due Dates. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against

each Building Site at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Building Site have been paid. A properly executed certificate of the Association as to the status of assessments on a Building Site is binding upon the Association as of the date of its issuance.

Section 8.08. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. Such assessment, together with interest thereon at eight percent (8%) per annum, plus all costs and reasonable attorneys' fees, shall be the personal obligation of the person who was the Owner of the property at the time when the assessment was due. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Properties or abandonment of his Building Site.

Section 8.09. Subordination of the Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to

the lien of any first mortgage. Sale or transfer of any Building Site shall not affect the assessment lien. However, the sale or transfer of any Building Site pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Building Site from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE IX.

ENFORCEMENT

Section 9.01. The Standards shall be enforceable by the Association, or any Owner, their successors and assigns, for the maximum period allowed by law and shall be enforceable by the Association, or any Owner, their successors and assigns, by (i) injunctive relief, prohibitive or mandatory, to prevent the breach of or to enforce the performance or observance of these standards, or by (ii) a money judgment for damages by reason of a breach of those standards, (iii) both (i) and (ii), or (iv) a suit to foreclose any lien authorized herein.

The assessments provided for herein shall be enforceable by the Association by a money judgment against the Owner or Owners responsible therefor or by foreclosure of the lien. A lien for assessments may be foreclosed against a Building Site under the laws of this state as if it were a lien under a mortgage containing a power of sale. The Association, or its authorized representa-

tive, shall have the power to bid in at the foreclosure sale and to acquire, hold, lease, mortgage and convey any Building Site so acquired. The Owner, by the acceptance of any conveyance of any interest in the Building Site grants to the Association full authority, including without limitation a power of sale, to accomplish such foreclosure, acquisition and sale, together with the power and right to exercise any other remedy available under the laws of this state governing such foreclosures. The Association shall, in addition, have the right to pursue any other remedy at law or in equity against an Owner who fails to pay any assessment or charge against his Building Site. In any action brought by the Association against an Owner in violation of the covenants, including, but not limited to the recovery of delinquent assessments, the Association shall further be entitled to recover all costs of the action, including without limitation interest on the delinquent amount at the rate of eight percent (8%) per annum and reasonable attorneys' fees.

Section 9.02. The failure of the Association and any Owner, their successors or assigns, to enforce any provisions of the Standards upon the violation thereof shall in no event be deemed to be a waiver of the right to do so as to any subsequent violation.

Section 9.03. Invalidation of any of the provisions of these covenants or any of the Standards, whether by court order or otherwise, shall in no way affect any of the other provisions which shall remain in full force and effect.

Section 9.04. Any party to a proceeding who succeeds in enforcing a Standard or lien or enjoining the violation of a Standard against an Owner may be awarded a reasonable attorneys' fee against such Owner and shall be entitled to interest at the rate of eight percent (8%) per annum on any monetary amount awarded from the date such amount shall be determined to have been payable.

Section 9.05. No violation of any of the Standards shall defeat or render invalid the lien of any mortgage made in good faith and for value upon any property subject hereto; provided, however, that any mortgagee in actual possession, or any purchaser at any mortgagee's or foreclosure sale shall be bound by and subject to the Standards as fully as any other Owner of any Building Site subject hereto.

Section 9.06. The Association hereafter may grant variances from the strict application of the provisions of the Standards where by reason of extraordinary and exceptional conditions of any property or circumstances wherein the strict application of any Standard would result in peculiar and practical difficulties or exceptional or undue hardship upon the Owner of any property, provided any such variance shall meet the Criteria for Standards provided for herein.

Section 9.07. Portions of Lots 17, 18 and 19, Block 4, Autumn Woods East Addition, are subject to this Declaration and to the Declaration of Single Family Residential Development Standards, Covenants, Conditions and Restrictions filed as Document No. 35807.

In the event of any conflict between the provisions of this Declaration and the provisions of Declaration Document No. 35807, then: (i) with regard to said portions of said Lots 17 and 18, the provisions of this Declaration will control; and (ii) with regard to said portion of said Lot 19, the provisions of Declaration Document No. 35807 will control.
