

Jonathan Association

SEEDLING AWARD

The Seedling Award program was started in 2009 by the Jonathan Association Board of Directors and is designed to recognize individuals for their current volunteer contributions of time and effort given on behalf of their fellow Jonathan neighbors. In many instances, the Seedling Award is the first public recognition given to an individual by the Jonathan Association. "A full grown apple tree often starts as a seedling." Just as the Apple Award recognizes those who have made significant or long-term volunteer contributions to Jonathan, the Seedling Award identifies the first and smallest of what might later become many and larger volunteer contributions to Jonathan.

Seedling Award recipients are chosen annually by the Board of Directors during the May monthly Board meeting, and then the recipients are announced via the Summer Issue of the *Jonathan Neighbors* newsletter, posted on the website, and an article/PR statement is submitted to the *Chaska Herald* newspaper immediately after award recipients are chosen by the Board at the May monthly meeting.

2009 Seedling Award Recipients:
