Current Status/Update

Marsh Halberg has suggested that a “walk around” tour of Jonathan be conducted prior to forming a property improvement projects plan for 2012. Nate Bostrom assured Marsh that the BOD would take this suggestion under advisement during its 2012 budget planning process later this fall.

Jim Battenberg suggested that each individual member of the BOD take an hour or so to ride along with him in the Jonathan truck/bobcat to inspect and get familiar with the Jonathan trail system and other common property points of interest this summer and fall.
