Current Status/Update

The documentary film about the Jonathan New Town development and the history of the Jonathan Association was discussed. Maria Awes recommended delaying the filming of interviews until the first week in December, based upon the work schedule of Committee Films Inc.

Filmed interview candidates are: Karen Hyde Baker, Marsh Halberg, Dick Tirk, Becky Roberts Earl, Curly Roberts, Nate Bostrom, Walt Ripplinger, and Tracy Swanson.

The Heritage Committee is having lots of difficulty contacting Karen Hyde Baker in order to schedule an appointment on her calendar in which she can participate in a filmed interview.
