Provided, however, that the Association shall not be liable to anyone in damages who has submitted plans for approval or to any Owner by reason of mistake in judgment, negligence, or nonfeasance of itself, its agents or employees, arising out of or in connection with the approval or disapproval of any such plans. Likewise anyone so submitting plans to the Association, for approval, by submitting such plans, and any person when he becomes an Owner agrees that he or it will not bring any action or suit to recover for any such damages against the Association. The Association shall not unreasonably withhold approval of any plans submitted pursuant hereto; provided, however, that failure to meet (i) the Criteria for Standards, (ii) the standards contained herein, (iii) standards as to plans required to be submitted, (iv) standards as to compatibility with existing structures, and (v) standards of appropriateness of any structure, exterior design, construction materials, size of improvements, or color scheme thereof, shall be grounds for the Association's reasonable disapproval of any such plans.

The vote for such Site shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to each Site. Said Association shall also have as members other landowners, in the Jonathan Development. For the purpose hereof, an owner of a single townhouse unit or condominium unit shall be considered to be a single family residential Site Owner. Provided, however, that on any vote taken on Association business the total multiple dwelling unit votes shall not exceed 49% of the total votes voted and if necessary each multiple dwelling unit vote shall be appropriately weighed so that the total thereof does not exceed this maximum. On all votes taken in the Association, multiple dwelling votes shall be taken and counted separately to effectuate the 49% policy set forth above.

Section 5.02. If any of the Property is used as rental property, the Owner must include language in any lease or rental agreement requiring the tenants and occupants to be bound by this Declaration.

#### ARTICLE VI.

##### COMPLETION OF CONSTRUCTION OF IMPROVEMENTS

If any structure or improvement is begun after approval of the plans therefor as provided in Article IV hereof and is not completed in accordance with the approved plans within one (1) year after the commencement of said construction the Association, at its sole option, may take such steps as may be necessary in its sole discretion to improve the appearance so as to make the property harmonious with other properties and the amount of any expenditure made in so doing shall be the personal, joint and several obligation of the Owner or Owners of the property involved, as the case may be, and shall be a lien on the property and enforceable as set forth in Article VIII.

#### ARTICLE VII.

##### COMMON PROPERTIES

Every Owner shall have a right and easement of enjoyment in and to the Common Properties which shall be appurtenant to and shall pass with the title to every Property subject to the following provisions:

- (a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facilities situated upon the Common Properties.
- (b) The right of the Association to suspend the voting rights and right to use the recreational facilities by an Owner for any period during which any assessments on its property remain unpaid and for a period not to exceed 60 days for any infraction of its published rules

and regulations. The Association is hereby given the right to establish uniform rules and regulations for the Common Properties.

- (c) The right of the Association to dedicate or transfer all or any part of the Common Properties to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless assented to by 2/3 of the members who are voting in person or by proxy at a meeting or meetings duly called for this purpose. Notice of such meeting or meetings shall be given and the required quorum shall be determined in the same manner as provided in Section 8.05. The rights of the Association contained in this paragraph (c) shall be in addition to and shall in no way limit the rights granted to the Association in this Article VII.
- (d) The Association shall have the right to lease portions of the Common Properties to commercial recreational developers for the purpose of providing recreational facilities or services or both to members provided that the net income from any said lease shall be applied to developing and maintaining the Common Properties in the Jonathan Development.

#### ARTICLE VIII.

##### MAINTENANCE EXPENDITURES AND ASSESSMENTS

**Section 8.01.** The Association, for all of the properties subject hereto, hereby covenants and each Owner of any part thereof by acceptance of a deed therefor, whether or not it shall be so expressed in such deed is deemed to covenant and agree to pay to the Association: (i) Annual Assessments, (ii) Special Assessments for capital improvements, and (iii) assessments incurred for completion of construction of improvements as set forth in Article VI, all such assessments to be established and collected as hereinafter provided. Any assessments authorized herein together with interest, costs and reasonable attorneys' fees, shall be a lien against the property assessed from and including the first day of the annual assessment period and shall be prior to all other liens except:

- (a) A lien or encumbrance recorded before the recordation of this Declaration; and
- (b) The lien of real estate taxes and other governmental assessments or charges against a Unit; and
- (c) The lien of any recorded first mortgage against a Unit securing a First Mortgagee.

The Association may invoke the charges, sanctions and remedies set forth in Article IX, in addition to any remedies provided elsewhere in the Governing Documents or by law, for the purpose of enforcing its rights hereunder.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any property subject hereto pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to any payment which becomes due prior to such sale or transfer. No sale or transfer shall relieve such property from liability for any assessments thereafter becoming due or from the lien thereof.

Each assessment together with interest, costs and reasonable attorneys' fees, shall be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. Such personal obligations may be enforced by a judgment against the property Owner in question.

**Section 8.02.** The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the members of the Association and for the maintenance and development (including, but not limited to, costs of appropriate insurance and real estate taxes) of the Common Properties.

**Section 8.03.**

- (a) The maximum Annual Assessment for the year 1987 shall be \$109.00 per Site.
- (b) For each year thereafter, the maximum Annual Assessment may be increased each year not more than 5% of the assessment for the previous year without a vote of the membership.
- (c) From and after January 1, 1987, the maximum Annual Assessment may be increased above 5% by a vote of 2/3 of each of the members who are voting in person or by proxy at a meeting called for this purpose.
- (d) The Board of Directors may fix the Annual Assessment at an amount not in excess of the maximums set forth in this Section 8.03.

**Section 8.04.** In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Properties, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of 2/3 of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

**Section 8.05.** Written notice of any meeting called for the purpose of taking any action authorized under Section 8.03 or 8.04 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast 60% of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting or meetings may be called subject to the same notice requirement, and the required quorum at each subsequent meeting shall be 1/2 of the required

quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

**Section 8.06.** Both Annual Assessments and Special Assessments shall be assessed on a uniform basis for all Sites and may be collected on the monthly, quarterly, semi-annually or annually basis as shall be determined by the Board of Directors of the Association. The Assessments shall be considered to have been made on a uniform basis if based on the assessor's value of each Site including improvements thereon or on a per Site with each Site presumed to be benefited equally.

**Section 8.07.** The Board of Directors shall fix the amount of the Annual Assessment against each Site at least 30 days in advance of each Annual Assessment period. Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified property have been paid.

**Section 8.08.** Any assessment not paid within 30 days after the due date shall bear interest from the due date at the rate of 8% per annum. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Properties or abandonment of his property.

**Section 8.09.** In the event of default of more than 30 days in the payment of any assessment or installment thereof, all remaining installments of assessments assessed against the defaulting Owner may be accelerated and shall then be payable in full, forthwith at the call of the Board of Directors. Prior written notice of such acceleration shall be given to the defaulting Owner.

ARTICLE IX.

ENFORCEMENT

Section 9.01. The Standards set forth herein shall be enforceable by the Association, or any Owner, their successors and assigns, for the maximum period allowed by law and shall be enforceable by the Association, or any Owner, their successors and assigns, by (i) injunctive relief, prohibitive or mandatory, to prevent the breach of or to enforce the performance or observance of these standards, or by (ii) a money judgment for damages by reason of a breach of those standards, (iii) both (i) and (ii), or (iv) a suit to foreclose any lien authorized herein.

The assessments provided for herein shall be enforceable by the Association by a money judgment against the Owner or Owners responsible therefor or by foreclosure of the lien. A lien for both annual assessments and special assessments may be foreclosed against a Site under the laws of this state as if it were a lien under a mortgage containing a power of sale. The Association, or its authorized representative, shall have the power to bid in at the foreclosure sale and to acquire, hold, lease, mortgage and convey any Site so acquired. The Owner, by the acceptance of any conveyance of any interest in the Site grants to the Association full authority, including without limitation a power of sale, to accomplish such foreclosure, acquisition and sale, together with the power and right to exercise any other remedy available under the laws of this state governing such foreclosures. The Association shall, in addition, have the right to pursue any other remedy at law or in equity against an Owner who fails to pay any assessment or charge

against his Site. In any action brought by the Association against an Owner to recover delinquent assessments, the Association shall further be entitled to recover all costs of the action, including without limitation interest on the delinquent amount at the rate of 8% per annum and reasonable attorneys' fees.

**Section 9.02.** The failure of the Association and any Owner, their successors or assigns, to enforce any provisions of the standards contained herein upon the violation thereof shall in no event be deemed to be a waiver of the rights to do so as to any subsequent violation.

**Section 9.03.** Invalidation of any of the provisions of these covenants and standards, whether by court order or otherwise, shall in no way affect any of the other provisions which shall remain in full force and effect.

**Section 9.04.** Any party to a proceeding who succeeds in enforcing a standard or lien or enjoining the violation of a standard against an Owner may be awarded a reasonable attorneys' fee against such Owner and shall be entitled to interest at the rate of 8% per annum on any monetary amount awarded from the date such amounts shall be determined to have been payable.

**Section 9.05.** No violation of any of these standards shall defeat or render invalid the lien of any mortgage made in good faith and for value upon any property subject hereto; provided, however, that any mortgagee in actual possession, or any purchaser at any mortgagees' or foreclosure sale shall be bound by and subject to these standards as fully as any other Owner of any property subject hereto.

**Section 9.06.** The Association hereafter may grant variances from the strict application of the provisions of the standards set forth whereby reason of extraordinary and exceptional conditions of any property or circumstances the strict application of any standard would result in peculiar and practical difficulties or exceptional or undue hardship upon the Owner of any property, provided any such variance shall meet the Criteria for Standards provided for herein.

Chaska Investment Limited Partnership, a Minnesota Limited Partnership, fee owner of the Properties, hereby agrees that all right, title and interest which it owns in the Properties shall hereafter be subject to and subordinate to the foregoing standards, covenants, conditions and restrictions.
