

POLICY RESOLUTION # 24 – Jonathan Association Board of Directors

DATE: February 14, 2017

RE: Secure Mailboxes For All Jonathan Residents

While acknowledging that:

1. The Jonathan Association has erected mailboxes and stations on various Jonathan properties; and,
2. There are instances where mailboxes and stations are not erected by the Jonathan Association on Jonathan property; and,
3. There are instances where mailboxes and stations are not erected by the Jonathan Association on non-Jonathan property; and,
4. Mailboxes and stations need periodic repair and maintenance; and,
5. Secured mailboxes deter but do not prevent all incidents of mail theft.

In addition to reaffirming that:

6. Mailboxes and/or mail stations may need to be evaluated for potential location consolidation; and,
7. Not all current mailboxes and/or mail stations are located on Jonathan common area property and the Jonathan Association may need to obtain the permission of property owners prior to removal of existing mailboxes; and,
8. Mailboxes and/or stations that are located on Jonathan property shall be maintained and repaired by the Jonathan Association; and,
9. Determination of the need for replacement or upkeep will be at discretion of the Jonathan Association Board;

The Jonathan Association Board of Directors resolves on this day (02-14-2017) to provide all members with locking mailboxes by December 31, 2019. A thorough assessment will be conducted and written report published on the association's website by July 31, 2017.
